Comparing College Libraries Worksheet

	Library #1	Library #2
What is the name of the college/university?		
What is the name (if any) of the main library on campus?		
How many libraries are on the main campus?		
What is the cost of printing in the library?		
How can you get a tour of the library?		
What is the name of the library catalog?		
What kind of special collections does the library have?		
What is the cost of photocopying?		
How late is the main library open on Sunday?		
What special services does the library offer to help you with your papers or with your research? Be thorough in your answer!
